Dear Mr. Levine,

I would like to take this opportunity to thank you for doing an outstanding job in representing me in court. Thanks to your experience and professionalism in court you pointed out a protocol, something that I would not have been able to do on my own. Since, I did not have a clue of the technical issue.

You have saved me money on insurance penalty and the fine in itself but, most of all the effect that it would have made on my job status. Due to the fact that I have a CDL Drivers License this would have jeopardized my job status.

Without any hesitation I will be recommending you to anyone that I know who may incur a similar scenario. Anyone that has a traffic infraction should seek your help.

I cannot thank you enough, two thumbs up for a job well done.

Gratefully,

J. Batista

Thank you for allowing
me to make my own decisions
and supporting those decisions.
Thank you for your encouragement.
Thank you for putting up a
wonderful fight. People like
you are hard to find. Most of
all thank you for your extreme
wisdom and confidence and
for being more of a friend than
an attorney. I will definitely
recommend your wonderful services
to others. Take care of yourself
and continued success to you
and your staff.

Sorry this thank-you
is so overdue!

Love,
Victoria

Dear Mr. Levine:

I have never been a person for many words but I can't thank you enough for the great work you did for me regarding the traffic case I was involved in.

Yours truly,
